Misery Business by Paramore

I'm in the business of misery, let's take it from the top
She's got a body like an hourglass that's ticking like a clock
It's a matter of (1)_____ before we all run out
But when I thought he was mine she caught him by the mouth
I waited eight long months, she finally set him free
I told him I couldn't lie, he was the only one for me
Two weeks and we caught on fire
She's got it out for me but I wear the biggest smile
Whoa, I never meant to brag
But I got him where I want him now
Whoa, it was never my intention to brag
To steal it all away from you now
But God, does it feel so good
'Cause I got him where I want him now
And if you could then you know you would
'Cause God, it just feels so
It just feels so good
Second chances (2)_____ don't ever matter, people
never change
Once a whore, you're nothing more, I'm sorry, that'll never
change
And about forgiveness we're both (3)_____ to
(4)_____ exchanged
I'm sorry honey but I passed it up, now look this way
Well there's a million other girls who do it just (5)_____
you
Looking as innocent as possible to get to who they want
And what they like, it's easy if you do it right
Well I refuse, I refuse, I refuse!
Whoa, I never meant to brag
But I got him where I want him now

Whoa, it was never my intention to brag
To steal it all away from you now
But God, (6)_____ it feel so good
'Cause I got him where I want him right now
And if you could then you know you would
'Cause God, it just feels so
It just feels so good
I watched his wildest dreams come true
And not one of them involving you
Just watch my wildest dreams come true
Not one of them involving
Whoa, I never (7)_____ to brag
But I got him where I want him now
Whoa, I never meant to brag
But I got him where I want him now
Whoa, it was never my intention to brag
To steal it all away from you now
But God, does it feel so good
'Cause I got him where I want him now
And if you could (8)_____ you know you would
'Cause God, it just feels so
It (9)_____ feels so good

Fill in the gaps

Answer

1. time
2. they
3. supposed
