

Tell them all I (14)\_\_\_\_\_ now

## Fill in the gaps

I (1) years ago	Shout it from the roof top	
Someone told me I (2) take	Write it on the sky line	
Caution (3) it comes to love	All we had is gone now	
I did, I did	Tell (15) I was happy	
And you (4) (5) and I was not	And my heart is broken	
My illusion, my mistake	All my scars are open	
I was careless, I forgot	Tell them what I hoped (16) be	
I did	Impossible, impossible	
And now when all is done	Impossible, impossible	
There is nothing to say	Impossible, impossible	
You have gone and so effortlessly	Impossible, impossible	
You have won	(Oh) Impossible (yeah yeah)	
You can go (6) tell them	I remember years ago	
Tell them all I know now	Someone (17) me I should take	
Shout it from the (7) top	Caution (18) it comes to love	
Write it on the sky line	I did	
All we had is gone now	Tell (19) all I (20) now	
Tell them I was happy	Shout it (21) the roof top	
And my (8) is broken	Write it on the sky line	
All my scars are open	All we had is gone now	
Tell (9) what I hoped would be	Tell them I was happy (I was happy)	
Impossible, impossible	And my (22) is broken	
Impossible, impossible	All my (23) are open	
Falling out of love is hard	Tell (24) what I hoped (25)	be
Falling for betrayal is worse	Impossible, impossible	
Broken trust and broken hearts	Impossible, impossible	
I know, I know	Impossible, impossible	
Thinking all you (10) is there	Impossible, impossible	
Building faith on (11) is worse	Impossible, impossible	
Empty (12) (13) wear	I remember years ago	
I know, I know	Someone (26) me I (27)	take
And now when all is gone	Caution when it comes to love	
There is nothing to say	I did	
And if you're done with embarrassing me		
On your own you can go ahead tell them
