

Fill in the gaps

I remember years ago	And if you're done with (17)
Someone (1) me I should take	me
Caution (2) it comes to love	On your own you can go ahead (18) them
I did, I did	Tell them all I know now
And you were strong and I was not	Shout it from the (19) tops
My illusion, my mistake	Write it on the sky line
I was careless, I forgot	All we had is (20) now
I did, I did	Tell them I was happy
And now all is done	And my heart is broken
There is nothing to say	All my (21) are open
You (3) gone and so effortlessly	Tell them what I hoped would be
You have won	Impossible, impossible
And so go ahead (4) them	Impossible, impossible
Tell (5) all I know now	I remember years ago
Shout it (6) the roof tops	Someone told me I should take
Write it on the sky line	Caution when it comes to love
All we had is (7) now	I did
Tell (8) I was happy	Tell them all I know now
And my (9) is broken	Shout it (22) the roof top
All my scars are open	Write it on the sky line
Tell them what I hoped would be	All we had is (23) now
Impossible, impossible	Tell them I was happy
Impossible, impossible	And my heart is broken
Falling out of love is hard	All my (24) are open
Falling for (10) is worst	Tell (25) (26) I hoped would be
Broken (11) and (12) hearts	Impossible, impossible
l know, l know	Impossible, impossible
Thinking all you (13) is there	Impossible, impossible
Building (14) on love and words	I remember years ago
Empty promises (15) wear	Someone told me I should take
I know, I know	Caution when it comes to love
And now all is gone	l did
There is (16) to say
