

## Fill in the gaps

(1) years ago		And if you're done with embarrassing me	
Someone told me I should take		On your own you can go ahead tell them	
Caution when it comes to love		Tell them all I know now	
I did, I did		Shout it from the roof tops	
And you were strong and I was not		Write it on the sky line	
My illusion, my mistake		All we had is gone now	
I was careless, I forgot		Tell them I was happy	
I did, I did		And my heart is broken	
And now all is done		All my scars are open	
There is nothing to say		Tell them what I hoped would be	
You have gone and so effortlessly		Impossible, impossible	
You have won		Impossible, impossible, impossible	
And so go (2) (3)	them	I remember years ago	
Tell them all I (4) now		Someone told me I should take	
Shout it from the roof tops		Caution when it comes to love	
Write it on the sky line		l did	
All we had is gone now		Tell them all I know now	
Tell them I was happy		Shout it from the roof top	
And my heart is broken		Write it on the sky line	
All my (5) are open		All we had is gone now	
Tell (6) what I (7)	would be	Tell them I was happy	
Impossible, impossible		And my heart is broken	
Impossible, impossible		All my scars are open	
Falling out of love is hard		Tell (8) what I hoped (9)	be
Falling for betrayal is worst		Impossible, impossible	
Broken trust and broken hearts		Impossible, impossible, impossible	
I know, I know		Impossible, impossible, impossible	
Thinking all you need is there		I remember years ago	
Building faith on love and words		Someone told me I should take	
Empty promises will wear		Caution when it comes to love	
I know, I know		l did	
And now all is gone			
There is nothing to say
