Fill in the gaps

Could Be The One by Avicii & Nicky Romero

Do you (1) about me when you're all alone
The things we used to do, we (2) to be
I could be the one to make you feel (3) way
I could be the one to set you free
Do you think (4) me when the crowd is gone
It used to be so easy, you and me
I could be the one to (5) you feel that way
I could be the one to set you free
I could be the one to (6) you (7) that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
When you need a way to beat the pressure down
When you need to (8) a way to breathe
I could be the one to make you feel that way
I could be the one to set you free
If you never see me when the crowd is gone
It used to be so easy, can't you see
I could be the one to make you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
I could be the one to (9) you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
