

## Fill in the gaps

One, two, three, for		
I know (1) you're thinking		
B-1 going down		
I can feel us sinking		
But then I came around		
And everyone I've loved before		
Flashed before my eyes		
And nothing mattered anymore		
I looked (2) the sky		
Well I (3) something better, man		
I wished for something new		
And I wanted something beautiful		
I wished for something true		
Been looking for a reason, man		
Something to lose		
When the wheels come down		
(When the wheels come down)		
When the (4) touch ground		
(When the wheels touch ground)		
And you (5) like it's all over		
There's another round for you		
When the wheels come down		
(When the wheels come down)		
Know your head is spinning		
Broken hearts will mend		
This is our beginning		
Coming to an end		
Well, you wanted something better, man		
You wished for something new		
Well, you wanted something beautiful		

You (6)	for something true
