

Fill in the gaps

Long Road To Ruin by Foo Fighters

Here now, don't (1) a sound	Under the cold streetlights
Say, (2) you heard the news today?	No tomorrow, no dead end
One flag was taken down	Long road to ruin (16) in your eyes
To raise (3) in its place	Under the (17) streetlights
A (4) (5) you bear	No tomorrow, no (18) end in sight
A stubborn heart remains unchanged	Long (19) to (20) there in your eyes
No harm, no life, no love	Under the (21) streetlights
No stranger singin' in your name	No tomorrow, no dead ends
Maybe the season	For every piece to (22) in place
The colors change in the valley skies	Forever gone (23) a trace
Dear God, I've (6) my fate	Your horizon takes its shape
Runnin' through hell, heaven can wait	No turnin' back, don't turn that page
Long road to ruin (7) in (8) eyes	Come now, I'm leavin' here tonight
Under the (9) streetlights	Come now, let's leave it all behind
No tomorrow, no dead end in sight	Is (24) the price you pay
Let's say we take this town	Runnin' (25) hell, heaven can wait
No king or queen of any state	Long road to ruin there in your eyes
Get up to shut it down	Under the cold streetlights
Open the streets and raise the gates	No tomorrow, no dead ends
I know a (10) to scale	Long (26) to ruin there in your eyes
l know a field (11) a name	Under the cold streetlights
Head on without a care	No tomorrow, no dead ends
Before it's way too late	Long road to ruin (27) in your eyes
Maybe the season	Under the cold streetlights
The colors (12) in the valley skies	No tomorrow, no dead end in sight
Oh God, I've sealed my fate	
Runnin' through hell, (13) can wait	
Long (14) to ruin (15) in your eyes
