Long Road To Ruin by Foo Fighters

Here now, don't make a sound
Say, have you heard the news today?
One flag was taken down
To raise another in its place
A heavy cross you bear
A stubborn heart remains unchanged
No harm, no life, no love
No stranger singin' in your name
Maybe the season
The colors change in the (1)_____ skies
Dear God, I've (2)_____ my fate
Runnin' (3)_____ hell, heaven can wait
Long road to ruin there in your eyes
Under the cold streetlights
No tomorrow, no dead end in sight
Let's say we take this town
No (4)_____ or queen of any state
Get up to shut it down
Open the streets and raise the gates
I know a wall to scale
I know a field without a name
Head on without a care
Before it's way too late
Maybe the season
The colors change in the valley skies
Oh God, I've sealed my fate
Runnin' through hell, heaven can wait
Long road to ruin there in your eyes

Under the cold streetlights
No tomorrow, no dead end
Long (5)_____ to ruin there in your eyes
Under the cold streetlights
No tomorrow, no dead end in sight
Long road to ruin there in (6)_____ eyes
Under the cold streetlights
No tomorrow, no (7)_____ ends
For every piece to fall in place
Forever (8)_____ (9)_____ a trace
Your horizon takes its shape
No turnin' back, don't turn that page
Come now, I'm leavin' here tonight
Come now, let's leave it all behind
Is that the price you pay
Runnin' through hell, heaven can wait
Long road to ruin there in your eyes
Under the cold streetlights
No tomorrow, no dead ends
Long road to ruin there in your eyes
Under the cold streetlights
No tomorrow, no dead ends
Long road to ruin there in your eyes
Under the cold streetlights
No tomorrow, no dead end in sight
