

Fill in the gaps

Once upon a time I was (1)	else
In another life I saw myself	
Way back then, back (2) I was new	
Somehere (3) the line I started to slip	
Years gone by, (4) my lip	
All the while, all this time I knew	
Now you're on your own, one for the pages	
Over the (5) and through the ages	
Does my heaven burn like hell on you?	
Out beneath the cracks they're coming in waves	
Rolling like an earthquake under the pavement	
Tell me now, tell me Mr. True	
You got a lot of nerve	
Now I'll show a little backbone why don't you	
I'm looking for some back and forth with you	
Are you feeling the same as I do?	
Now and, now and then	
I'm looking for some back and forth with you	
Are you (6) the same as I do?	
Down and out	
Holding my breath, I waited and waited	
How'd this simple life get so complicated?	
Shoes to fill, secrets to spill down you	
Dear in the headlight, (7) in the who	eel

You want pretend, I need for real
I'm taking it back, all my IOU's
You got a lot of nerve
Now I'll (8) a little backbone why don't you
I'm looking for some back and forth with you
Are you feeling the same as I do?
Now and, now and then
I'm (9) for (10) back and forth
with you
Are you feeling the same as I do?
Down and out
You got a lot of nerve
Now I'll show a little backbone why don't you
I'm looking for some back and forth with you
Are you feeling the same as I do?
Now and, now and then
I'm looking for some back and forth with you
Are you feeling the same as I do?
Now and, now and then
I'm looking for some back and forth with you
Are you feeling the same as I do?
Down and out
