

Fill in the gaps

Once upon a (1) I was (2)	You (18) pretend, I need for real
else	I'm taking it back, all my IOU's
In another (3) I saw myself	You got a lot of nerve
Way back then, (4) (5) I was new	Now I'll show a little backbone why don't you
Somehere (6) the line I (7) to	I'm looking for (19) back and (20)
slip	with you
Years (8) by, biting my lip	Are you feeling the same as I do?
All the while, all this time I knew	Now and, now and then
Now you're on (9) own, one for the pages	I'm (21) for some (22) and forth
Over the hill and (10) the ages	with you
Does my heaven burn like hell on you?	Are you feeling the same as I do?
Out beneath the cracks they're coming in waves	Down and out
Rolling like an earthquake (11) the pavement	You got a lot of nerve
Tell me now, (12) me Mr. True	Now I'll (23) a little backbone why don't you
You got a lot of nerve	I'm (24) for (25) back and forth
Now I'll show a little (13) why don't you	(26) you
I'm looking for some back and (14) with you	Are you (27) the same as I do?
Are you feeling the same as I do?	Now and, now and then
Now and, now and then	I'm looking for some back and forth (28) you
I'm looking for some back and (15)	Are you feeling the same as I do?
(16) you	Now and, now and then
Are you feeling the same as I do?	I'm looking for some back and (29)
Down and out	(30) you
Holding my breath, I (17) and waited	Are you feeling the same as I do?
How'd this simple life get so complicated?	Down and out
Shoes to fill, secrets to spill down you	
Dear in the headlight, spoke in the wheel
