

Back & Forth by Foo Fighters

Once upon a time I was somebody else

In (1)_____ life I saw myself

Way back then, back when I was new

Somehere down the line I started to slip

Years gone by, biting my lip

All the while, all (2)_____ time I knew

Now you're on your own, one for the pages

Over the hill and through the ages

Does my heaven burn like hell on you?

Out beneath the cracks they're coming in waves

Rolling like an earthquake under the pavement

Tell me now, tell me Mr. True

You got a lot of nerve

Now I'll (3)_____ a little backbone why don't you

I'm looking for some back and forth with you

Are you feeling the same as I do?

Now and, now and then

I'm looking for some back and forth (4)_____ you

Are you feeling the same as I do?

Down and out

Holding my breath, I waited and waited

How'd (5)_____ (6)_____ life get so
complicated?

Shoes to fill, secrets to spill down you

Dear in the headlight, (7)_____ in the wheel

Fill in the gaps

You want pretend, I need for real

I'm taking it back, all my IOU's

You got a lot of nerve...

Now I'll show a little backbone why don't you

I'm looking for some back and forth with you

Are you feeling the same as I do?

Now and, now and then

I'm looking for some back and forth with you

Are you feeling the same as I do?

Down and out

You got a lot of nerve...

Now I'll show a little backbone why don't you

I'm looking for some back and forth with you

Are you feeling the same as I do?

Now and, now and then

I'm looking for some back and forth with you
