

Fill in the gaps

Once upon a time I was somebody else	You want pretend, I need for real
In another life I saw myself	I'm taking it back, all my IOU's
Way back then, back when I was new	You got a lot of nerve
Somehere down the line I started to slip	Now I'll show a little backbone why don't you
Years gone by, biting my lip	I'm (6) for some back and forth
All the while, all this time I knew	(7) you
Now you're on (1) own, one for the pages	Are you feeling the same as I do?
Over the (2) and through the ages	Now and, now and then
Does my heaven burn like hell on you?	I'm looking for some back and forth with you
Out beneath the (3) they're coming in	n waves Are you feeling the same as I do?
Rolling like an earthquake under the pavement	Down and out
Tell me now, tell me Mr. True	You got a lot of nerve
You got a lot of nerve	Now I'll show a little backbone why don't you
Now I'll show a little backbone why don't you	I'm looking for some back and (8) with you
I'm looking for some back and forth with you	Are you feeling the same as I do?
Are you feeling the same as I do?	Now and, now and then
Now and, now and then	I'm looking for (9) back and forth with you
I'm looking for some back and forth with you	Are you feeling the same as I do?
Are you (4) the same as I do?	Now and, now and then
Down and out	I'm looking for some back and forth with you
Holding my breath, I waited and waited	Are you feeling the same as I do?
How'd this simple life get so complicated?	Down and out
Shoes to fill, secrets to spill (5) you	
Dear in the headlight, spoke in the wheel
