Trip The Darkness by Lacuna Coil

Fill in the gaps

What a day?		As I trip the darkness
I can barely keep my eyes wide open		One more time
I don't wanna see straight		Follow me, follow me
What a day?		I awake (6) madness
Feels like my breath is heavy again		Just in time
And I'm totally faded		What a day?
Come to me, (1) to me		I can barely keep my eyes wide open
I am waiting for you		I don't wanna see straight
Come to me		What a day?
I can't wait		Seconds, minutes and hours spill over
Follow me, follow me		There's no time here in space
As I trip the darkness		Come to me, come to me
One more time		Come to me
Follow me, (2) me		Come to me, come to me
I awake from madness		Come to me, come to me
Just in time		I am waiting for you
What a day?		Follow me, follow me
Seconds, minutes and hours spill over		As I trip the darkness
There's no time here in space		One (7) time
What a day?		Follow me, (8) me
I see (3) in everything		I awake from madness
But the (4) is (5)	fading away	Just in time
Come to me, come to me		Just in time (just in time)
I am waiting for you		I (9) from madness
Come to me		One more time
I can't wait		
Follow me, follow me
