

Fill in the gaps

Every time I think of you	(Missing you)
I always catch my breath	Since you've been gone (missing you)
And I'm (1) standing here	Away, I ain't missing you
And you're miles away	(Missing you)
And I'm wondering why you left	No matter
And there's a storm that's raging	What my friends say (missing you)
Through my frozen heart tonight	And there's a message (8) I'm sending out
I hear your name	Via telegraph
In certain circles	To your soul
And it always makes me smile	And if I can't bridge this distance
I spend my time	Stop this heartbreak overload
Thinking about you	I ain't missing you at all
And it's almost driving me wild	(Missing you)
And there's a heart that's breaking	Since you've been gone (missing you)
Down this long (2) line tonight	Away, I ain't missing you
I ain't (3) you at all	(Missing you)
(Missing you)	I ain't (9) you
Since you've (4) gone (missing you)	(Missing you)
Away	I can't lie to myself
I ain't missing you	And there's a storm that's raging
(Missing you)	Through my frozen heart tonight
No matter	I ain't missing you at all
What I might say (missing you)	I ain't missing you, no, no
There's a message	I ain't missing you
In the wire	I ain't missing you
And I'm sending you the signal tonight	I ain't (10) you
You don't know	I ain't missing you
How desperate I've become	I ain't missing you
And it looks like I'm (5) this fight	I ain't missing you
In your world	I ain't missing you
I have no meaning	Everytime I think of you
Though I'm trying hard to understand	I always catch my breath
And it's my heart that's breaking	
Down this (6) (7) line tonight	
I ain't missing you at all
