

I ain't missing you at all

## Fill in the gaps

Every time I think of you	(Missing you)
I always catch my breath	Since you've been (11) (missing you)
And I'm still standing here	Away, I ain't missing you
And you're miles away	(Missing you)
And I'm (1) why you left	No matter
And there's a storm that's raging	What my (12) say (missing you)
Through my (2) tonight	And there's a (13) (14) I'm
I hear your name	sending out
In (4) circles	Via telegraph
And it always makes me smile	To your soul
I spend my time	And if I can't bridge this distance
Thinking about you	Stop (15) (16) overload
And it's almost (5) me wild	I ain't missing you at all
And there's a (6) that's breaking	(Missing you)
Down (7) long distance line tonight	Since you've been gone (missing you)
I ain't missing you at all	Away, I ain't missing you
(Missing you)	(Missing you)
Since you've been gone (missing you)	I ain't missing you
Away	(Missing you)
I ain't missing you	I can't lie to myself
(Missing you)	And there's a (17) that's raging
No matter	Through my frozen heart tonight
What I (8) say (missing you)	I ain't missing you at all
There's a message	I ain't (18) you, no, no
In the wire	I ain't missing you
And I'm sending you the signal tonight	I ain't (19) you
You don't know	I ain't (20) you
How desperate I've become	I ain't (21) you
And it looks like I'm losing this fight	I ain't missing you
In your world	I ain't missing you
I (9) no meaning	I ain't missing you
Though I'm trying hard to understand	Everytime I think of you
And it's my heart that's breaking	I always catch my breath
Down this long (10) line tonight
