

Fill in the gaps

In good old times, (1) my friend	Feelings I had were but sham and a lie
Moon was so bright and so close to us, sometimes	I have never forgotten your smile
We were still blind and deaf, what a bliss	Your eyes, oh, Shamandalie
Painting the world of our own, for our own eyes, now	Times went by, many memories died
Can we ever have what we had then?	I'm (7) this down to ease my pain
Friendship unbreakable	You saw us always clearer than me
Love means nothing to me	How we (8) (9) meant to be
Without blinking an eye	Love denied meant the friendship would die
I'd fade, if so needed,	Now I have seen the light
All those moments with you	These memories (10) me cry
If I had you beside me	Can I ever have what I had then?
One cloudy day we both lost the game	Friendship unbroken
We drifted so far and away	Love means nothing to me
Nothing is quite as cruel as a child	Without blinking an eye
Sometimes we (2) the unbreakable, sometimes	I'd fade, if so needed,
And we'll never have what we had then	All those moments with you
Friendship unbroken	See the world with my wide open eyes
Love means nothing to me	Friendship got broken
Without blinking an eye	There's no other for me
I'd fade, if so needed,	Like the one of my childhood
All (3) moments (4) you	Can you forgive me?
If I had you beside me now	Love got better off me,
I was (5) to cope with what you said	On that day back in old times
Sometimes we need to be cruel to be kind	
Child (6) I was, could not see the reason
