

## Two Hearts by Phil Collins

Well, there was no reason to believe
She'd (1) be there
But if you don't put faith in what you believe in
It's getting you nowhere
'Cos it hurts you (2) let go
Don't look down
Just look up
'Cos she's always there behind you
Just to remind you
Two hearts
Believing in just one mind
You know we're two hearts
Living in just one mind
Well, there's no easy way to
To understand it
There's so much of my (3) in her
And it's (4) I'm blinded
And it (5) you to never let go
There's so much love you'll never know
She can reach you no matter how far
Wherever you are
Two hearts
Living in just one mind
Beating together
Till the end of time
You (6) we're two hearts
Living in just one mind
