So lost in the moments when you're in them
It's the craze that the corporate controls you both
So they say it's best to go your seperate ways
Guess they don't know you
Cause today, that was yesterday
Yesterday is over, it's a different day
Silent broken records playing over
But you promised her next time you'll show restrain
You don't get another chance
Life is no nintendo game, but you lied again
Now you get to watch her leave out the window
I guess that's why they call it window pane
[Rihanna]
Just gonna (22) _____ there and watch me burn
Well that's alright because I like the way it hurts
