Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just (1) stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie
[Eminem]
I can't tell you what it really is
I can only tell you what it feels like
And right now there's a steel knife in my windpipe
I can't breathe but I still fight while I can fight
As long as the (2) feels right it's like I'm in flight
High off of love, drunk from my hate
Its like I'm huffing paint
And I love it the more that I suffer, I suffocate
And right before (3) about to drown she
resuscitates me
She fucking hates me and I love it, wait
Where you going, I'm leaving you
No you ain't, come back
We're (4) right back
Here we go again, it's so insane
Cause when it's going good it's going great
I'm superman with the wind at his back, she's Lois Lane
But when it's bad it's awful I feel so ashamed, I snapped
Who's that dude I (5) (6) know
his name
I laid hands on her, I'll never stoop so low again
I guess I don't know my own strength
[Rihanna]
Just gonna stand there and watch me burn
Well that's alright (7) I like the way it hurts
Just (8) stand there and hear me cry
Well that's (9) because I love the way you
lie
I (10) the way you lie, I love the way you lie
[Eminem]
You (11) love somebody so much
You can (12) breathe (13) you're
with 'em
You meet and (14) one of you even know
what hit 'em
Got that warm fuzzy feeling
Yeah them chills used to get 'em
Now you're getting fucking sick at lookin at 'em
You swore you'd never hit 'em
Never do nothing to hurt 'em
Now you're in (15) others face

Spewing (16) in your words when you spit 'em

You push, pull (17)_____ other's hair, scratch, claw Bit 'em, throw 'em down, pin 'em

So lost in the moments when you're in them
It's the craze that the corporate controls you both
So they say it's best to go your seperate ways
Guess they (18) know you
Cause today, that was yesterday
Yesterday is over, it's a different day
Silent broken records playing over
But you promised her next time you'll show restrain
You don't get another chance
Life is no nintendo game, but you (19) again
Now you get to watch her leave out the window
I guess that's why they call it window pane
[Rihanna]
Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well that's (20) because I love the way you
lie
I love the way you lie, I love the way you lie
[Eminem]
Now I know we (21) things
Did things that we didn't mean
And we (22) back into the same patterns, same
routine
