

We write the same song in a different key It's got a rhythm, you and me can get along

### Fill in the gaps

### One And The Same by Selena Gomez & Demi Lovato

Hey ney ney	(Get along)			
La la la la la	And it may seems (13)	for r	me to wanr	na say
Hey hey hey	That you're not alone (here I go again)			
La la la la la	And you can call me uncool but it's a (14)			fact
You (1) (2) here	I still got (15) back yeah			
I (3) from there	I still got your back			
You rockout in your room	'Cause we're one and the same			
I (4) the world premiere	We're anything but ordinary			
Were (5) alike then anybody (6)	One (16) the same			
(7) tell	I think we're (17) I	legendary		
(Every tell)	You and me the (18)	team		
Friday were cool	Shaking at the scene			
Monday were freaks	We're one and the same (one one	·)		
Sometimes you rule	(Yeah, yeah)			
Sometimes you can't even speak	'Cause we're one and the same			
But we can get out and let loose and LOL (LOL)	We're (19) b	ut ordinary		
It may (8) cliche for me to wanna say	One and the same			
That you're not alone	We're (20)	_ more	(21)	
(Not alone)	momentary			
And you can call me uncool but it's a simple fact	Cause we're one			
l got your back!	Yeah, yeah, yeah			
Yeah, yeah, yeah!	Cause we're one (we're almost leg	gendary)		
'Cause we're one and the same	You and me the perfect team			
We're (9) but ordinary	Chasing down the dream			
One and the same	(Ohh)			
I think (10) legendary	You and me the perfect team			
You and me the (11) team	Shaking up the scene			
Chasing (12) the dream	We're one and the same			
We're one and the same	Hey hey hey			
Hey hey hey	La la la la			
La la la la la	Hey hey hey			
I'm kinda like you're kinda like me
