

Fill in the gaps

So (1) nights trying to hide it	Now I'm wondering (15) you've
But now I stay (2) (3) pleading for	(16) been
more	And blindly, I came to you
To think this heart was divided	Knowing you'd breathe new (17) from within
I'm losing sleep cause I can't ignore	
Feeling your (4) all around	With you in time
And peacefully hearing the sound	There's nothing else
Of silence (5) us	My (18) stands still
I'm so glad we found us this way	You are the (19) that (20) me strong
	Make me strong
Find me, (6) in your arms	If ever alone in this (21) I know I'll always
Now I'm wondering (7) you've always been	Find me, here in your arms
And blindly, I (8) to you	Now I'm wondering where you've always been
Knowing you'd (9) new life from within	Blindly, I came to you
I can't get (10) of you	Knowing you'd (22) new life (23)
	within
I wanna be where you are	You sleep, (24) in my arms
In times of need I just want you to stay	Where the world just shuts down for a while
I leave a (11) on your car	Blindly, you came to me
When I can't find the right words to say	Finding peace and belief in this smile
Hearing (12) voice all around	Find some peace and belief in this smile
The (13) place we're (14) is down	Find some (25) and (26) in this
I'll blindly follow knowing you're leading the way	smile
Yeah	I can't get enough of you
Find me, here in your arms
