### Fast Car (Cover) by Boyce Avenue & Kina Grannis

You got a fast car	You (14) ain't got a job
I want a ticket to anywhere	And I work in a market as a (15) girl
Maybe we make a deal	I know things will get better
Maybe together we can get somewhere	You'll find work and I'll get promoted
Anyplace is better	We'll move out of the shelter
Starting (1) got nothing to lose	Buy a bigger house and (16) in the suburbs
Maybe we'll (3) something	So I (17) (18) we were driving
But me myself I got nothing to prove	Driving in your car
You got a fast car	The speed so (19) felt like I was drunk
I got a plan to get us out of here	City lights lay out before us
Been working at the (4) store	And your arm felt nice wrapped 'round my shoulder
Managed to save just a little bit of money	And I had a feeling (20) I belonged
We won't have to drive too far	And I had a feeling I could be someone
Just 'cross the border and into the city	Be someone
You and I can (5) get jobs	Be someone
And finally see what it means to be living	You got fast car
You see my old man's got a problem	And I got a job that pays all our bills
He live (6) the bottle that's the way it is	You stay out drinking late at the bar
He (7) his body's too old for working	See more of your friends than you do of your kids
I say his body's too young to look like his	I'd (21) hoped for a better
But mama went off and left him	Thought maybe (22) you and me would
She wanted more from life than he could give	find it
I said somebody's got to take care of him	I got no plans I ain't going nowhere
So I quit (8) and that's (9) I did	So take your (23) car and keep on driving
You got a fast car	So I remember when we (24) driving
Is it fast (10) so we can fly away	Driving in (25) car
We gotta make a decision	The speed so fast felt like I was drunk
We leave tonight or live and die this way	City lights lay out before us
So I remember (11) we were driving	And your arm (26) nice wrapped 'round my
Driving in your car	shoulder
The speed so fast felt (12) I was drunk	And I had a feeling (27) I belonged
City lights lay out before us	And I had a (28) I could be someone
And your arm felt (13) wrapped 'round my shoulder	Be someone
And I had a feeling that I belonged	Be someone
And I had a feeling I could be someone	You got a fast car
Be someone	But is it fast enough so you can fly away
Be someone	You gotta make a decision
You got a fast car	You leave tonight or live and die this way
