SUB inglés

Someone had to draw a line

Fill in the gaps

We'll Be Coming Back by Calvin Harris & Example

We (1) it all apart but I'm wishing I'd stayed	We'll be coming back for you one day
In the back room something I heard you say	We'll be coming back for you one day
We didn't want to call it too early	I don't even care if I know you
Now it (2) a world (3) but I miss the	Out of our minds
thing	Sad to leave it all behind
Are we ever gonna feel the same?	We'll be coming back for you one day
Standing in the light till it's over	We'll be coming back for you one day
Out of our minds	Gonna rise, gonna fall, (8) pulled apar
Someone had to draw a line	And we all do it all cause it stole our hearts
We'll be coming (4) for you one day	Gonna light up the skies, or ignore the stars
We'll be coming back for you one day	And we all do it all 'cause it stole our hearts
I don't even care if I know you	Standing in the light till it's over
Out of our minds	Out of our minds
Sad to leave it all behind	Someone had to draw a line
We'll be coming back	We'll be coming back for you one day
We'll be (5) back for you one day	We'll be coming back for you one day
You can see it from afar we were riding that wave	I don't even care if I know you
Blinded by the (6) and it's something not great	Out of our minds
We didn't want to call it too early	Sad to leave it all behind
Now it (7) a world away but I miss the thing	We'll be coming back for you one day
Are we ever gonna feel the same?	We'll be coming back for you one day
Standing in the light till it's over	
Out of our minds	

- 1. took
