## We'll Be Coming Back by Calvin Harris & Example

We took it all (1) but I'm wishing I'd stayed	We'll be coming back for you one day
In the back room something I heard you say	We'll be coming back for you one day
We didn't want to call it too early	I don't even care if I know you
Now it seems a world away but I (2) the thing	Out of our minds
Are we ever (3) feel the same?	Sad to (6) it all behind
Standing in the light till it's over	We'll be coming back for you one day
Out of our minds	We'll be coming back for you one day
Someone had to draw a line	Gonna rise, gonna fall, getting pulled apart
We'll be coming back for you one day	And we all do it all cause it stole our hearts
We'll be coming back for you one day	Gonna light up the skies, or ignore the stars
I don't even care if I know you	And we all do it all 'cause it stole our hearts
Out of our minds	Standing in the (7) till it's over
Sad to leave it all behind	Out of our minds
We'll be (4) back	Someone had to draw a line
We'll be coming back for you one day	We'll be coming back for you one day
You can see it from (5) we were riding that wave	We'll be coming back for you one day
Blinded by the lights and it's something not great	I don't even care if I know you
We didn't want to call it too early	Out of our minds
Now it seems a world away but I miss the thing	Sad to (8) it all behind
Are we ever gonna feel the same?	We'll be coming back for you one day
Standing in the light till it's over	We'll be coming (9) for you one day
