

Fill in the gaps

Hello there, the angel from my nightmare	Don't waste your time on me you're already
The shadow in the background of the morgue	The voice inside my head (I miss you miss you)
The unsuspecting (1) of darkness in the valley	Don't waste (4) (5) on me you're
We can live (2) Jack and Sally if we want	already
Where you can always find me	The voice inside my head (I miss you miss you)
We'll have Halloween on Christmas	Don't waste (6) time on me you're already
And in the night we'll wish this never ends	The voice (7) my head (I miss you miss you)
We'll wish this never ends	Don't waste your time on me you're already
I miss you miss you	The voice inside my head (I miss you miss you)
I miss you miss you	Don't waste your time on me you're already
Where are you and I'm so sorry	The voice inside my (8) (I miss you miss you)
I cannot sleep I cannot dream tonight	Don't waste your time on me you're already
I need somebody and always	The voice inside my head (I (9) you (10)
This sick strange darkness	you)
Comes creeping on so haunting every time	I miss you miss you
And as I stared I counted	I miss you miss you
Webs (3) all the spiders	I miss you miss you
Catching things and eating their insides	
Like indecision to call you	
And hear your voice of treason	
Will you come home and stop this pain tonight	
Stop this pain tonight
