Fill in the gaps

A few questions that I need to know	It just doesn't feel right
How you could ever (1) me so?	I'll keep searching, deep within my soul
I (2) to know what I've done wrong?	For all the answers, don't wanna hurt no more
And how long it's been going on?	I need peace got to feel at ease
Was it that I never paid enough attention?	Need to be free from pain
Or did I not give enough affection?	Go insane, my heart aches, yeah
Not only will your answers keep me sane	Some times vocabulary runs through my head
But I'll know never to make the same mistake again	The alphabet runs right from A to Z
You can tell me to my face	Conversations, hesitations in my mind
Or even on the phone	You got my conscience
You can write it in a letter	Asking questions that I cant find
Either way I've to know	I'm not crazy
Did I (3) treat you right?	I'm sure I ain't done nothin' wrong
Did I always start the fight?	Now I'm just waiting
Either way I'm going out of my mind	'Cause I've heard that this feeling won't (8) that
All the answers to my question I have to find	long
My head's spinning	Never ever have I ever felt so low
Boy, I'm in a daze	When you gonna take me out of this black hole
I feel isolated	Never ever have I ever felt so sad
Don't wanna to communicate	The way I'm feeling, yeah
I'll (4) a shower I will scour	You got me feeling really bad
I will roam	Never ever have I had to find
Find peace of mind	I've had to dig a way to find my own (9) of mind
The happy mind	I've never ever had my conscience to fight
