

Fill in the gaps

Hey, hey	You think, you think you know
You're almost home	When you're almost there and you're almost home
You're almost home	Just open up your eyes and go, go
You're (1) home	When you're almost there, almost home
I've seen the light in the sky	Know you're not alone
In the skies are like fireflies	You're (8) home
Burning bright, just to vanish in the dark	
I've (2) hope in my two hands	When you let your heart be the compass
That there would be another chance	You won't get lost, not if you trust it
To (3) the kingdom, I'm believing in my heart	When you hear the sound of the trumpet
'Cause underneath the good	Louder than (9) before
There's (4) greater than you know	(Oh) when you're almost there
When you're almost there and you're almost home	Almost home
Just open up your eyes and go, go	Just open up your eyes and go, go
When you're almost there, almost home	'Cause you're almost there
Know you're not alone	Almost home
You're (5) home	Know you're not alone
	You're almost home
(You're almost home)	
When you run, run so far	When you're (10) there
You've forgotten who you are	Almost home
Where you're from	Just open up your eyes and go, go
It's like some other universe	Almost there
You (6) your steps, like they're regrets	You're almost home
You catch one breath (7) lose the rest	Know you're not alone
Wrong is right	You're almost home
Right is left	
And there's nowhere left to turn	
So don't believe in everything
