

My left brain knows

### Fill in the gaps

#### Fell In Love With A Girl by The White Stripes

Fell in love with a girl	That all (12) is fleeting
I (1) in love once and (2)	She's just looking for something new
completely	And I said it once before
She's in love with the world	But it bears repeating
But sometimes these feelings	Fell in (13) with a girl
Can be so misleading	I fell in love once and (14) completely
She turns and says are you alright	She's in (15) with the world
I (3) I must be fine	But sometimes these feelings
'Cause my heart's still beating	Can be so misleading
Come and kiss me by the riverside, yeah	She turns and (16) are you alright
Bobby (4) it's (5) he don't consider it	I said I (17) be fine
cheating	'Cause my heart's (18) beating
Red hair (6) a curl	Come and kiss me by the riverside, yeah
Mellow (7) for the flavor	Bobby (19) it's fine he don't
And the eyes for peeping	(20) it cheating
Can't (8) (9) from the girl	<b></b>
These two sides of my brain	Can't think of (21) to do, yeah
Need to have a meeting	My left brain knows
Can't think of anything to do, yeah	That all (22) is fleeting
My left (10) knows	She's (23) (24) for somethin
That all love is fleeting	new
She's just looking for something new, yeah	And I (25) it once before
And I (11) it once before	But it bears repeating now
But it bears repeating	
Can't think of anything to do
