## Candle In The Wind '97 by Elton John

Goodbye England's rose	You lived your life like a candle in the wind
May you ever grow in our hearts	Never fading with the sunset
You were the grace that placed itself	When the rain set in
Where lives were torn apart	And your footsteps will always (6) here
You called out to our country	Along England's greenest hills
And you whispered to those in pain	Your candle's burned out long before
Now you belong to Heaven	Your legend ever will
And the stars spell out your name	Goodbye England's rose
And it seems to me	May you ever grow in our hearts
You (1) your life like a candle in the wind	You (7) the grace (8) placed itse
Never fading with the sunset	Where lives were torn apart
When the (2) set in	Goodbye England's rose
And your (3) (4) always fall	From a country lost without your soul
here	Who'll miss the wings of your compassion
Along England's greenest hills	More than you'll ever know
Your candle's burned out long before	And it seems to me
Your legend ever will	You lived your life like a (9) in the wind
Loveliness we've lost	Never fading with the sunset
Those empty days without your smile	When the rain set in
This (5) we'll always carry	And your footsteps will always fall here
For our nation's golden child	Along England's (10) hills
Even though we try	Your candle's burned out long before
The truth brings us to tears	Your legend ever will
All our words cannot express
