

The joy you brought us through the years

And it seems to me

Fill in the gaps

Candle In The Wind '97 by Elton John

Goodbye England's rose		You lived your life like a candle in the wind
May you ever grow in our hearts		Never fading with the sunset
You were the grace (1) placed itself		When the rain set in
Where lives were (2) apart		And your footsteps will (6) fall here
You called out to our country		Along England's greenest hills
And you (3) to (4)	in	Your candle's burned out long before
pain		Your legend ever will
Now you belong to Heaven		Goodbye England's rose
And the stars (5) out your name		May you ever grow in our hearts
And it seems to me		You (7) the grace that placed itself
You lived your life like a candle in the wind		Where lives were (8) apart
Never fading with the sunset		Goodbye England's rose
When the rain set in		From a country lost (9) your sou
And your footsteps will always fall here		Who'll miss the wings of your compassion
Along England's greenest hills		More than you'll ever know
Your candle's burned out long before		And it seems to me
Your legend ever will		You lived your life like a candle in the wind
_oveliness we've lost		Never fading with the sunset
Those empty days without your smile		When the rain set in
This torch we'll always carry		And (10) footsteps will always fall here
For our nation's golden child		Along England's greenest hills
Even though we try		Your candle's burned out long before
The truth brings us to tears		Your legend ever will
