It's just one of those days	My suggestion is to keep your distance
When ya don't (1) wake up	Because right now I'm dangerous
Everything is ******, everybody sucks	We've all felt (9) ****
You don't really know why	And been treated like ****
But you wanna (2) rippin' someone's head	All those **********, that want to step up
off	I hope ya know I pack a chainsaw
No human contact	I'll skin your ass raw
And if you (3) your life is on contract	And if my day keeps going this way
Your best bet is to stay away ********!	I just might break something tonight
It's just one of (4) days!	I (10) a chainsaw
It's all about the he said she said bull****	I'll skin your ass raw
I think you better quit lettin' **** slip	And if my day keeps going this way
Or you'll be leavin with a fat lip	I just might break something tonight
It's all about the he said she said bull****	I pack a chainsaw
I think you better quit talkin' that ****	I'll skin your ass raw
It's just one of (5) days	And if my day keeps going this way
Feelin' like a freight train	I just might break your ****** face tonight
First one to complain	Give me somthing to break
Leaves with a blood stain	Give me somthing to break
Damn right I'm a maniac	Just give me stuff to break
You better watch your back	How 'bout your ****** face?
'Cause I'm ****** up your program	I hope you know I pack a chainsaw, what?
And if you're stuck up	A chainsaw, what?
You just lucked up	A ******* chainsaw, what?
Next in line to get ****** up	So come and get it
Your best bet is to stay away *******!	It's all about the he said she said bull****
