Fill in the gaps

I don't want to wonder
If this is a blunder
I don't want to worry whether
We're gonna (1)_____ together till we die
I don't want to jump in
Unless this music's thumping
All the dishes rattle in the cupboards
When the elephants arrive
I want to love you madly
I (2)_____ to love you now
I want to love you madly, way
I want to love you, love you, love you madly
I don't want to (3)_____ it
I just want to (4)_____ it
The ornaments look pretty
But they're pulling down the branches of the tree
I don't want to think about it
I don't want to talk about it
When I kiss your lips
I want to sink down to the bottom of the sea

I want to love you madly
I want to love you now
I want to love you madly, a way
I want to love you, love you, (5)_____ you madly
I don't want to hold back
I don't want to slip down
I don't want to think back
To the one thing that I know I should have done
I don't (6)_____ to doubt you
Know (7)_____ about you
I don't want to sit across the table from you
Wishing I could run
I want to love you madly
I want to love you now
