My tears dry on their own

Fill in the gaps

Tears Dry On Their Own by Amy Winehouse

All I can ever be to you		So we are history
Is a darkness that we knew		Your shadow covers me
And this regret I got (1)	to	The skies above a blaze
Once it was so right		He walks away
When we (2) at our high		The sun goes down
Waiting for you in the hotel at night		He takes the day but I'm grown
I knew I hadn't met my match		And in your way
But (3) moment we could snatch		In this blue shade
I don't (4) why I got so attached		My tears dry on their own
It's my responsibility		I wish I could say no regrets
And you don't owe (5) to me		And no emotional debts
But to walk away I have no capacity		'Cause as we kissed goodbye the sun sets
He walks away		So we are history
The sun goes down		The shadow covers me
He takes the day but I'm grown		The sky above a blaze
And in your way		That only lovers see
In this blue shade		He (9) away
My tears dry on their own		The sun goes down
I don't understand		He takes the day but I'm grown
Why do I stress a man		And in your way
When there's so many bigger things at hand		My blue shade
We could (6) never had it all		My tears dry on their own (whoa)
We had to hit a wall		He walks away
So this is inevitable (7) drawl		The sun goes down
Even if I stopped wating you		He takes the day but I'm grown
A perspective pushes through		And in your way
I'll be some next man's other woman soon		My deep shade
(Ah) can I play (8) again?		My (10) dry on their own
Or should I just be my own best friend?		He walks away
Not **** myself in the head with stupid men		The sun goes down
He walks away		He takes the day but I'm grown
The sun goes down		And in your way
He takes the day but I'm grown		My deep shade
And in your way		My tears dry
In this blue shade
