My tears dry on their own

Tears Dry On Their Own by Amy Winehouse

All I can ever be to you	So we are history
Is a darkness (1) we knew	Your shadow covers me
And this regret I got accustomed to	The skies above a blaze
Once it was so right	He walks away
When we were at our high	The sun goes down
Waiting for you in the hotel at night	He takes the day but I'm grown
I knew I (2) met my match	And in (17) way
But every moment we (3) snatch	In this blue shade
I don't know why I got so attached	My tears dry on their own
It's my responsibility	I wish I could say no regrets
And you don't owe nothing to me	And no (18) debts
But to walk away I have no capacity	'Cause as we kissed (19) the sun sets
He (4) away	So we are history
The sun goes down	The shadow covers me
He takes the day but I'm grown	The sky above a blaze
And in (5) way	That only lovers see
In this (6) shade	He walks away
My tears dry on their own	The sun goes down
I don't understand	He takes the day but I'm grown
Why do I stress a man	And in your way
When there's so many (7) things at hand	My blue shade
We could (8) (9) had it all	My tears dry on (20) own (whoa)
We had to hit a wall	He walks away
So this is inevitable with drawl	The sun goes down
Even if I stopped wating you	He takes the day but I'm grown
A perspective pushes through	And in your way
I'll be some next man's (10) (11)	My deep shade
soon	My tears dry on their own
(Ah) can I (12) myself again?	He (21) away
Or should I just be my own best friend?	The sun (22) down
Not (13) in the (15)	He takes the day but I'm grown
with stupid men	And in your way
He walks away	My deep shade
The sun goes down	My (23) dry
He takes the day but I'm grown	
And in your way	
In (16) hlue shade
