## A Drop In The Ocean by Ron Pope

## Fill in the gaps

A (1) in the ocean	The last excuse that I'll claim
A (2) in the weather	I was a boy who loved a women like a little girl
I was (3) that you and me might	And still I can't let you be
End up together	Most nights I hardly sleep
It's like wishing for rain	Don't take (17) you don't need from me
As I stand in the desert	It's just a drop in the ocean
But I'm holding you closer than most	A change in the weather
'Cause you are my heaven	I was praying that you and me might
I don't wanna waste the weekend	End up together
If you don't love me pretend	It's like wishing for (18) as I stand in the desert
A few more hours	But I'm holding you (19) than most
Then it's (4) to go	'Cause you are my
And as my train rolls (5) the East coast	Heaven doesn't (20) far away anymore
I (6) how you (7) warm	No, no
It's too late to cry	Heaven doesn't seem far away
Too broken to move on	Heaven doesn't seem far away anymore
And still I can't let you be	No, no
Most (8) I (9) sleep	Heaven doesn't (21) far away
Don't (10) what you don't need from me	(Oh oh)
It's just a drop in the ocean	(Oh oh)
A (11) in the weather	It's (22) a drop in the ocean
I was praying that you and me might	A change in the weather
End up together	I was praying that you and me might
It's like wishing for rain as I (12) in the desert	End up together
But I'm (13) you closer than most	It's like wishing for (23) as I stand in the desert
'Cause you are my heaven	But I'm holding you closer than most
Misplaced (14) and old friends	'Cause you are my heaven
Never counting regrets	(Oh oh) you are my heaven
By the (15) of God, I do not (16) at all
