| And then Round two I can hear the bells I'll primp, but wont be late I can hear the bells Because (5) three's I can hear the bells When we kiss inside his car I can hear the bells | Round one | And he'll whisper as we're reminiscing |
| I'll primp, but wont be late I can hear the bells Because (5) three's I can hear the bells When we kiss inside his car I can hear the bells | He'll ask me on a date | Listen! |
| Because (5) three's I can hear the bells When we kiss inside his car I can hear the bells | And then Round two | I can hear the bells |
| When we kiss inside his car | I'll primp, but wont be late | I can hear the bells |
| | Because (5) three's | I can hear the bells |
| Won't go all the way, but I'll go pretty far | When we kiss inside his car | |
| | Won't go all the way, but I'll go pretty far | |
