

## Vision Of Love by Mariah Carey

Treated me kind	I've realized a dream
Sweet destiny	And I visualized the love that came to be
Carried me through desperation	Feel so alive
To the one (1)_____ was waiting for me	I'm so thankful, (4)_____ I've received
You took so long	The answer (5)_____ Heaven
Still I believed	Has sent down to me
Somehow the one that I needed	You (6)_____ me kind (yeah)
Would find me eventually	Sweet destiny (and you know that you did)
I had a vision of love	And I'll be eternally grateful
And it was all that you've given to me	Holding you so close to me (prayed through the nights)
Prayed through the nights	Prayed through the (7)_____ (so faithfully)
Felt so alone	So (8)_____ (faithfully)
Suffered from alienation	Knowing the one that I needed
Carried the weight on my own	Who would find me (9)_____ (who would
Had to be strong	find me)
So I believed	I had a vision of love
And now I know I've succeeded	And it was all (10)_____ you've given to me
In (2)_____ the (3)_____ I conceived	I had a vision of love
I had a vision of love	And it was all
And it was all that you've given to me	That you turned out to be
I had a vision of love	
And it was all that you've given me
