## Mirrors (Live) by Justin Timberlake

## Fill in the gaps

## Aren't you something to admire 'Cause I don't wanna lose you now 'Cause your shine is something like a mirror I'm looking right at the other half of me And I can't help but notice This vacancy that sat in my heart You reflect in this heart of mine, yeah Is a space that now you hold If you ever feel alone and The (1)\_\_\_ \_\_\_\_ makes me hard to find Just know that I'm always Parallell on the other side You were right here all along 'Cause with your hand in my hand It's like you're my mirror And a pocket full of soul My mirror staring back at me I can tell you there's no place we couldn't go I couldn't get any bigger Just put your hand on the past I'm here trying to pull you through You just gotta be strong That we're making 'Cause I don't wanna (2)\_\_\_\_\_ you now Two reflections into one I'm looking right at the other (3)\_\_\_\_\_ of me The vacancy that sat in my heart Is a space that now you hold back at me) Show me how to fight for now Yesterday is history And I'll tell you baby Tomorrow's a mystery It was easy coming back into you once I figured it out Keep your eyes on me You were right here all along Baby, keep your eyes on me It's like you're my mirror My mirror staring back at me I couldn't get any bigger With anyone else beside of me And now it's clear as this promise That we're making Two reflections into one 'Cause it's like you're my mirror My mirror staring back at me, staring back at me You were right here all along Aren't you something It's like you're my mirror

An original, 'cause it doesn't seem merely assembled

And I can't (4)\_\_\_\_\_ but stare 'cause

You reflect me, I (5)\_\_\_\_\_ that about you

And if I could, I would look at us all the time

I can tell you there's no place we couldn't go

Just put your (6)\_\_\_\_\_ on the past

I see truth somewhere in your eye

'Cause with your hand in my hand

I'm here trying to pull you through

And a pocket full of soul

You just gotta be strong

I can't ever change without you

Show me how to fight for now And I'll tell you baby, it was easy Coming back into you once I figured it out With anyone else (7)\_\_\_\_\_ of me And now it's clear as this promise 'Cause it's like you're my mirror \_\_\_\_\_ staring (9)\_\_\_\_ at me (staring I can see you looking back at me London ('cause I don't wanna lose you now) Put your hands together right now, come on I'm looking right at the other half of me This vacancy that sat in my heart Is a space that now you hold (no, no, no, no) Show me how to fight for now And I'll tell you baby that it was easy Coming back into you once I figured it out My (10)\_\_\_\_\_ staring back at me I couldn't get any bigger With anyone else beside of me And now it's clear as this promise That we're making Two reflections into one 'Cause it's like you're my mirror (no, no, no) My mirror staring back at me, staring back at me No Thank you London Have a great night
