How could I ever forget It's the first time

## Fill in the gaps

In The Air Tonight (Live) by Phil Collins

I can feel it coming in the air tonight	And the (6) time we ever met
Oh Lord	But I know the reason why you keep your silence up
Well I've been (1) for this moment	No, you don't fool me
All my life	'cause the hurt doesn't show
Oh Lord	But the pain still grows
Can you feel it coming in the air tonight	It's no stranger to you and me
Oh Lord	I can feel it coming in the air tonight
Oh Lord	Oh Lord
Well if you told me you were drowning	I've (7) waiting for this moment
I would not lend a hand	For all my life
I've seen (2) face before my friend	Oh Lord
But I don't know if you know who I am	I can feel it coming in the air tonight
Well I was there and I saw what you did	Oh Lord
I saw it with my own two eyes	I've been waiting for this moment
So you can wipe off that grin	All my life
I (3) you've been	Oh Lord, oh Lord
It's all been a pack of lies	Can you feel it
And I can feel it coming in the air tonight	Coming in the air tonight
Oh Lord	Oh Lord
Well I've been waiting for this moment	I've (8) waiting for this moment
All my life	All my life
Oh Lord	Oh Lord, oh Lord
I can feel it coming in the air tonight	I can feel it (9) in the air
Oh Lord	I can feel it coming in the air
Well I've been waiting for (5) moment	I've waited for this moment
All my life	All my life
Oh Lord	I've been waiting for this moment
Oh Lord	All my life
Well I remember	My life
