hope to last

She may be the face I can't forget	She may be the love that (7) hope to
A (1) of pleasure or regret	May come to me from shadows of the past
May be my treasure or the price I (2) to pay	That I'll remember till the day I die
She may be the song that summer sings	She
May be the chill that autumn brings	May be the reason I survive
May be a hundred different things	The why and wherefore I'm alive
Within the measure of a day	The one I'll care for through the rough
She may be the (3) or the beast	And ready years
May be the (4) or the feast	Me I'll take her (8) and her tears
May turn (5) day into a heaven or a hell	And make them all my souvenirs
She may be the (6) of my dreams	For where she (9) I've got to be
A smile reflected in a stream	The meaning of my life is
She may not be what she may seem	She
Inside her shell	She
She who always seems so happy in a crowd	She
Whose eyes can be so private and so proud
