

Fill in the gaps

Ever close your eyes	Every summer sun
Ever stop and listen	Every winter evening
Ever (1) alive	Every spring to come
And you've nothing missing	Every (5) leaving
You don't need a reason	You don't need a reason
Let the day go on and on	Let it all go on and on
Let the rain (2) down	What a day, (6) a day to (7) to
Everywhere around you	What a way, what a way to make it through
Give into it now	What a day, what a day to take to a wild child
Let the day surround you	What a day, what a day to take to
You don't need a reason	What a way, what a way to make it through
Let the rain go on and on	What a day, what a day to take to a wild child
What a day, what a day to take to	What a day, what a day to take to
What a way, what a way to make it through	What a way, what a way to make it through
What a day, (3) a day to (4) to a wild	What a day, what a day to take to
child	
Only take the time	What a way, what a way to make it through
From the helter skelter	What a day, what a day to take to a wild child
Every day you find	What a day, (8) a day to take to a wild child
Everything's in kilter	
You don't need a reason	
Let the day go on and on
