Round, round, baby	All my girls are (6) with me
Round, round spinning out on me	Whiling out they've got their needs
I don't need no man, got my kicks for free	(Do you feel me, do you feel me)
We'll ride still fired on the beat down low	(Do you feel me, do you feel me)
I don't need nobody but my honeys	Round, round baby
When I go round, baby	Round, round spinning out on me
Round, round spinning out on me	I don't need no man got my kicks for free
I don't need no man, got my (1) for free	We'll ride still fired on the beat down low
When you stare at my face	I don't need nobody but my honeys
You're messing with my brain	When I go round, baby
If you're trying to convince me	Round round spinning out on me
Then you better think again	I don't need no man, got my kicks for free
If you move to the music	We'll ride still (7) on the beat down low
The music's got to give	I don't need nobody but my honeys when I go
If it's too complicated	Does it hurt when you see how I've done
That's the way I wanna live	Without you thought that I couldn't belong
If you hate me	Never thought (8) you could be so cruel
I will (2) you	All you (9) is some friends
How to brake me	Won't be by yourself
Into something new	Let's go round and round and round and round
If you want me	Round, round baby
Run away now	Round, round spinning out on me
If you stop me	I don't need no man got my kicks for free
Then I'll hit the ground	We'll ride still fired on the beat down low
(And we go, here we go)	I don't need nobody but my honeys
Round, round baby	When I go round baby
Round, round spinning out on me	Round, round spinning out on me
I don't need no man, got my kicks for free	I don't need no man, got my kicks for free
We'll ride still fired on the beat down low	We'll ride still fired on the beat down low
I don't (3) nobody but my honeys (4) I	I don't need nobody but my honeys
go	When I go round, baby when I go (when I go)
Explanations, no you don't need one	When I go (when I go)
Having a (5) time getting down to the fun	When I go (when I go)
And it's your time	When I go round, baby when I go (when I go)
Just tonight he'll be mine and he's gone	When I go (when I go)
(Yeah, yeah)	When I go (when I go)
People moving, bodies grooving	When I go
Never ending playaz are changing	
(Don't you worry 'bout a thing)
