

Fill in the gaps

Forget You (Cover) by Vázquez Sounds

I see you drive (1) town with the guy I love	Well
And I'm like forget you	
I guess the change in my pocket wasn't enough	I've got some news for you
I'm like forget you and forget him too	(Oh) I really hate you right now
Said, if I was richer, I'd still be with you	I see you drive around town with the guy I love
(Ha) now ain't that some shh	And I'm like forget you
(Ain't that some shhh?)	I guess the change in my pocket wasn't enough
And (2) there's (3) in my	I'm like forget you and forget him too
chest	Said, if I was richer, I'd still be with you
I still wish you the best with a forget you	(Ha) now ain't that (7) shh
Yeah, I'm sorry, I can't afford a Ferrari	(Ain't that some shhh?)
But that don't mean I can't get you there	And although there's pain in my chest
I guess she's an Xbox, and I'm more an Atari	I still (8) you the best with a forget you
But the way you play your game ain't fair	Now, baby, baby
I pity the fool that falls in love with you	Why'd you wanna, wanna hurt me so bad?
	(so bad, so bad) so bad
Well	I tried to tell my mama but she told me
	This is one for your dad (your dad, your dad)
I've got some news for you	Yeah, she did
Yeah, go run and tell your little girlfriend	Why, why, why baby?
I see you drive around town with the guy I love	I love you
And I'm like forget you	I still love you (ooh) (I still love you)
I guess the change in my pocket wasn't enough	I see you drive around town with the guy I love
I'm like forget you and forget him too	And I'm like forget you
Said, if I was richer, I'd still be with you	I guess the change in my pocket wasn't enough
(Ha) now ain't that some shh	I'm (9) (10) you and forget him too
(Ain't that some shhh?)	Said, if I was richer, I'd still be with you
And although there's pain in my chest	(Ha) now ain't that some shh
I still wish you the best with a forget you	
Now I know (4) I had to borrow	Although there's pain in my chest
Beg and steal and lie and cheat	I still wish you the best with a forget you
Trying to keep you, trying to (5) you	
Cause being in love (6) your face ain't cheap	
(Oh) I pity the fool that falls in love with you	

- 1. around
- 2. although
- 3. pain
