

Your bed's a battlefield and back

And all of this will just be stripped away

## Let's Do The Things We Normally Do by Dido

Let's pretend that we'll be (1) tomorrow	Let's do the things we normally do
And I'll try for you to be a little more on time	I'll say see you later you'll sing a line or two
I know you need to say you know you've let me down	From your rebel songs sung out of tune
But you haven't and it's hard to talk	Don't hold my (5) for (6) than you
With people all around	need to
Please don't say how proud you are	Don't look me in the eye more than you need to
Let's do the things we normally do	Don't try to say goodbye if I don't (7) to
I'll say see you later	Don't say how proud you are
You'll sing a line or two	And say I'm far away
From your rebel songs sung out of tune	And take (8) (9) live
Don't hold my hand for longer than you need to	And say a word
	And I can say I fade away
Let's forget that we're here and make some plans	And later
We'll go for walks	We're so ok
Sit will go on the bench we always sat	Alone
I'll (2) you every little detail	And stay
Of my day and so will you	Cold
But don't try to stay awake	And say "I'm fine"
I'm feeling tired too	And there
This is just another day	Alone you are
Let's do the (3) we normally do	Alone
I'll say see you later you'll sing a line or two	And say "you're fine"
From your rebel songs sung out of tune	(Ooh)
Don't hold my hand for longer than you need to	And say ok
Armored cars and tanks and guns	(Ooh)
Came to (4) away our sons	And (10) ok
And everybody's stood behind	(Ooh)
The man behind the wire	Alone you stay
There's a fight to love	Alone
A fight to have
