Let's Do The Things We Normally Do by Dido

Let's pretend that we'll be here tomorrow	Let's do the things we normally do
And I'll try for you to be a little more on time	I'll say see you later you'll sing a line or two
I know you (1) to say you know you've let me down	From your rebel songs sung out of tune
But you haven't and it's hard to talk	Don't hold my hand for longer than you need to
With people all around	Don't (9) me in the eye more than you need to
Please don't say how proud you are	Don't try to say goodbye if I don't want to
Let's do the things we normally do	Don't say how proud you are
I'll say see you later	And say I'm far away
You'll sing a line or two	And take along your live
From your rebel songs sung out of tune	And say a word
Don't hold my hand for longer than you need to	And I can say I fade away
	And later
Let's forget that we're here and make some plans	We're so ok
We'll go for walks	Alone
Sit will go on the (2) we always sat	And stay
I'll tell you every little detail	Cold
Of my day and so will you	And say "I'm fine"
But don't try to stay awake	And there
I'm feeling tired too	Alone you are
This is just another day	Alone
Let's do the things we normally do	And say "you're fine"
I'll say see you later you'll sing a (3) or two	(Ooh)
From your (4) songs (5) out of tune	And say ok
Don't hold my (6) for longer (7) you	(Ooh)
need to	And stay ok
Armored cars and tanks and guns	(Ooh)
Came to take away our sons	Alone you stay
And everybody's stood behind	Alone
The man behind the wire	
There's a fight to love	
A fight to have	
Your bed's a battlefield and back	
And all of this will just be (8) away
