

## Fill in the gaps

| All along it was a fever                |
|---|
| A cold sweat hot-headed believer        |
| I threw my hands in the air             |
| Said show me something                  |
| He said, if you (1) come a (2)          |
| closer                                  |
| Round and around and around we go       |
| (Oh oh) now tell me now, tell me now    |
| Tell me now you know                    |
| Not really sure how to feel (3) it      |
| Something in the way you move           |
| Makes me feel like I can't live (4) you |
| It takes me all the way                 |
| I want you to stay                      |
| It's not much of a life you're living   |
| It's not just (5) you take              |
| It's given                              |
| Round and around and around we go       |
| (Oh oh) now tell me now, tell me now    |
| Tell me now you know                    |
| Not really sure how to feel about it    |

| Something in the way you move               |
|---|
| Makes me feel like I can't live without you |
| It (6) me all the way                       |
| I want you to stay                          |
| (Oooh) the reason I hold on                 |
| (Oooh) 'cause I (7) this hole gone          |
| Funny all the broken ones                   |
| But I'm the only one who needed saving      |
| 'Cause when you never see the light         |
| It's (8) to know which one of us is caving  |
| Not really sure how to feel about it        |
| Something in the way you move               |
| Makes me (9) like I can't (10) without      |
| you   |
| It takes me all the way                     |
| I want you to stay                          |
| Stay  |
| I want you to stay                          |
| (Oooh)                                      |
