

Fill in the gaps

All along it was a fever
A cold (1) hot-headed believer
I threw my hands in the air
Said show me something
He said, if you (2) come a little closer
Round and around and around we go
(Oh oh) now tell me now, tell me now
Tell me now you know
Not (3) how to feel about it
Something in the way you move
Makes me feel (5) I can't (6)
(7) you
It (8) me all the way
I (9) you to stay
It's not (10) of a life you're living
It's not (11) you take
It's given
Round and around and (13) and
(14) we go
(Oh oh) now tell me now, (15) me now
Tell me now you know
Not (16) sure how to (17) about it

Something in the way you move
Makes me (18) like I can't live without you
It takes me all the way
I (19) you to stay
(Oooh) the (20) I hold on
(Oooh) 'cause I (21) this (22) gone
Funny all the (23) ones
But I'm the only one who needed saving
'Cause when you never see the light
It's hard to know which one of us is caving
Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live (24) you
It takes me all the way
I want you to stay
Stay
I want you to stay
(Oooh)
