

Fill in the gaps

All along it was a fever		Something in the way you move	
A cold sweat hot-headed believer		Makes me feel like I can't live without you	
(1) my hands in the air		It takes me all the way	
Said show me something		I want you to stay	
He said, if you dare (2) a (3)	closer	(Oooh) the (8) I	hold on
Round and around and around and around we go		(Oooh) 'cause I need this hole gone	
(Oh oh) now tell me now, tell me now		Funny all the (9)	ones
ell me now you know		But I'm the only one who needed saving	
Not really sure how to feel about it		'Cause when you (10)	see the light
Something in the way you move		It's hard to know which one of us is caving	
Makes me feel like I can't (4) without you		Not really sure how to feel about it	
(5) me all the way		Something in the way you move	
(6) you to stay		Makes me feel like I can't live without you	
t's not much of a life you're living		It takes me all the way	
t's not just something you take		I want you to stay	
t's given		Stay	
Round and around and around and around we go		I want you to stay	
(Oh oh) now tell me now, tell me now		(Oooh)	
Tell me now you know			
Not (7) sure how to feel about it
