

Fill in the gaps

I used to be so fearless so limitless and free	I wouldn't see the worst and it only hurts me
Happy on my own and nothing (1) bothered	I love to be alive but I was not afraid to die
me	
I had desires to see the world, jump out of (2)	I've got everything to lose
and fly	
And I love to be alive but I was not afraid to die	Since I've met you
	I've got everything to lose
I used to be so sure of things and self-contained	(Since I've met you)
I could carry on with no need to explain	
It didn't matter if I ever (3) it home	I've got everything to lose
Could go too fast, and (4) all (5)	
and dance alone	Since I've met you
I love to be alive but I was not (6) to die	I've got everything to lose
I love to be alive but I was not afraid to die	Since I've met you
	I've got everything to lose
I've got everything to lose	
I used to be so thoughtless, so easy and free	
Could walk away, not (7) ahead	
And had no plans to keep	
No hand to told, no one to (8) down (9) me
