## White Noise by Disclosure & AlunaGeorge

| I know you're smart                              | Can look at me the way you do                       |
|--|---|
| You (1) me round like a knot                     | You always tint me                                  |
| You know the pieces, pieces of my heart          | Tint me black and blue                              |
| Sometimes it's fun                               | Such a shame  |
| You pull my (2) one by one                       | You (8) me with such disdain                        |
| Until you get me, get me onto one                | You got me washed out                               |
| Lately I've been thinking if you wanna get tough | Washed out, colour drained                          |
| Then let's (3) rough                             | Lately I've been thinking if you wanna get tough    |
| Lately I've been thinking if you wanna get tough | Then let's play rough                               |
| Then let's play rough                            | Lately I've been thinking if you (9) get tough      |
| I don't need you                                 | Then let's play rough                               |
| Giving it straight to me, (4) it straight to me  | I don't need you                                    |
| You're just gonna get my back                    | Giving it straight to me, giving it straight to me  |
| I don't need you                                 | You're just gonna get my back                       |
| Telling me how to be, telling me how to be       | I don't need you                                    |
| Just gonna get my back                           | Telling me how to be, telling me how to be          |
| Just gonna get my back                           | Just gonna get my back                              |
| Just gonna get my back                           | Just gonna get my back                              |
| Just gonna get my back                           | Just gonna get my back                              |
| Just (5) get my back                             | Just gonna get my back                              |
| Back, back, back                                 | Just gonna get my back                              |
| Back, back, back                                 | Back, back, back                                    |
| Just noise                                       | Back, back, back                                    |
| White noise                                      | (Back, back, back, back, back, back, back)          |
| Just noise                                       | (All I'm hearing, all I'm hearing)                  |
